

ACTIVITY MASTER #2

Symbols of the Evangelists

CREATING YOUR SYMBOL

You will be creating a symbol of one of the evangelists and you will need a handout from the teacher, poster paper, and colored markers.

Look at your handout. What is the symbol of your evangelist?

Have a group member read the information about your evangelist to the group. What important ideas stand out?

Work together to create your idea. Involve everyone in the process. (For example, someone can outline the picture, others can color it, and others can prepare the words for the presentation to the class.) Use the space below to create your narrative.

Present your art work and your narrative to the rest of the class.
