

ACTIVITY MASTER #16

Masterworks of God

In Europe during the Middle Ages, many people could not read. Those who built churches would design artwork that could teach about Christ and the Church. In the design below, the plan is to have seven stained glass windows to teach everyone about the seven sacraments. The three Sacraments of Initiation will be the three windows behind the altar. The Sacraments of Healing will be on one side and the Sacraments at the Service of Communion on the other side. You are the designer and your assignment is to create the windows to teach about the sacraments.
