Situation: _____

How it robs people of dignity: _____

Why people would act this way: _____

Select one of the situations. Complete the rest of the sheet with this situation in mind.

Define the situation: _____

Tell specific reasons why what is happening is wrong: _____

List ways of resolving this situation directly, for example, to go to the people involved and ask them to stop.

List ways of resolving the situation indirectly, for example, to distract people from the situation by scheduling another activity.

Would it be better to resolve this situation directly or indirectly? Why?

Now make a plan of action to stop the harmful situation.
