Gifts Bear Fruit

To be done in pairs.

In each of the packages, you will find the name of a Gift of the Holy Spirit, along with a brief description of the Gift.

At the bottom of the page you will find a basket with the Fruits of the Holy Spirit in it.

Write the name of a person you know who best exemplifies each Gift and the subsequent Fruits that person exhibits.

If you see that you possess some of the Gifts, add your initials in the appropriate boxes.
