# The Christian Family Tree

Use the space below to draw a Christian Family Tree. Drawing an actual tree of our Christian family can help you visualize the development of the Christian Church during the past 2000 years.

**Consider** where to place the following on your tree.

- ▶ Jesus Christ
- ▶ The Roman Catholic Church
- ▶ The Eastern Catholic Church
- ▶ The Protestant Church

**Write** on or next to your tree words that describe the ways the Christian Family is united.
